

**RESOLUTION
NUMBER
150402-B**

**Sanitary Sewer Management Plan
2015**

WHEREAS the Utah State Division of Water Quality requires all sewer utilities within the state of Utah to develop and maintain a Sanitary Sewer Management Plan (SSMP) under Utah State Administrative Code R317;

WHEREAS the MGSID Board of Trustees desires to ensure compliance with Utah State Administrative Code 317 by adopting the Mountain Green Sewer Improvement District Sanitary Sewer Management Plan (SSMP);

WHEREAS in their April 2, 2015 meeting, the MGSID Board of Trustees reviewed and agreed to adopt the attached Sanitary Sewer Management Plan (SSMP);

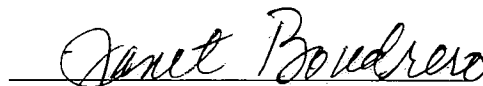

NOW, THEREFORE, the Mountain Green Sewer Improvement District Informs the Water Quality Board that preceding actions were taken by the District Board of Trustees.

Passed by a (Majority) or (Unanimous) vote on: April 2, 2015

For the MGSID Board of Trustees,

Robert Volk, Manager
