**SANITARY SEWER ORDINANCE
JANUARY 15, 2015 UPDATE**

This Ordinance shall be known and may be cited as the "Mountain Green Sewer Use Ordinance" and will be referred to herein as "this Ordinance." Within this Ordinance, the Mountain Green Sewer Improvement District may be referred to as "MGSID" or as the "District".

The purpose of this Ordinance is to promote the health, comfort, public convenience and general welfare of the residents within the Mountain Green Sewer Improvement District by eliminating existing pollution, preventing further pollution and controlling sewerage systems through regulations and restrictions. This Ordinance shall restrict and regulate the accumulation, transportation, treatment and disposal of sewage in such a manner that the creation of any sewerage system, whether public or private, industrial or residential, shall not result in pollution, health hazards or other nuisances for the residents within the Mountain Green Sewer Improvement District.

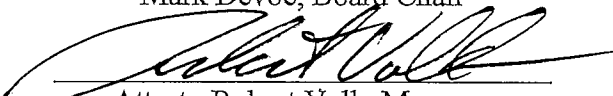

This Ordinance contains the rules and regulations adopted by the MGSID Board of Trustees to govern the Mountain Green Sewer System by authority granted under the provisions of Title 17A, Chapter 02, 'Independent Districts,' Utah Code Annotated as amended, and in all other applicable state statutes. The MGSID Board of Trustees shall have the authority granted under these provisions to administer, enforce, amend or repeal this Ordinance, or any clause or provision thereof, as may be necessary or desirable, in the judgment of the Board of Trustees, for the efficient operation of the sewerage system.

This Ordinance shall completely supersede all other sewer ordinances enacted by the MGSID prior to the date of the enactment of this Ordinance, which other ordinances are hereby repealed, except as otherwise noted herein. Hereafter, any person owning any building or structure within the MGSID District which is the source of sewage and / or industrial waste or who proposes to erect such building or structure, shall conform to the requirements of this Ordinance.

PASSED AND ADOPTED by the Board of Trustees of the Mountain Green Sewer Improvement District in regular session this fifteenth day of January 15, 2010.

Mark Devoe, Board Chair
